Street Sweeping Schedule

The North Reading DPW began its street sweeping program on Wednesday, May 4th and will continue until complete.

For the week of May 16th through May 20th, residential streets in the following areas are scheduled to be swept weather permitting:

- **Park Street East**
- **Streets off Chestnut Street**

Residents are asked to sweep their sidewalks into the street gutter in advance of street sweeping. Residents are also requested to avoid parking their cars on the street on the day that their street is to be swept.
